Dear Mrs. Manley:

I have completed arrangements for July 18 and 19 --Friday night and Saturday afternoon. The Friday game will be played in Richmond, Va., against the Aztecs at Mayo Island, while Saturday's contest will be played at Norbeck, Md., with the Baltimore Elites as your opponents.

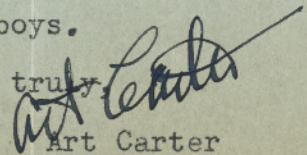

I must confirm date with Green not later than Tuesday, so I would appreciate a wire saying okay at Baltimore office sometime before Tuesday at 4 p.m., which at same time would give me an opportunity to start publicity in Richmond and Washington papers this week. Mr. Paige, owner of the park at Norbeck, feels that a game between two league clubs would draw better on Saturday and therefore has agreed to use both teams, as the Elites are off and were seeking a date at the spot too.

One thing: I note by the second half schedule that your team will play the Homestead Grays in Washington on Sunday, July 20, so if you feel that there will be any hitch about either date let me know so that I can advise Richmond contact man to release park, and book another club for the local spot.

I trust I have not delayed too long in answering but things have been pretty tough on me of late and I am just getting back into the swing of activity. I shall look forward to an early reply and will begin publicity immediately.

Best wishes to Mr. Manley and the boys.

Yours truly,

Art Carter
